BR 550 Backpack Blower

Professional User

Powered by a low emissions STIHL engine, it's a great value with excellent blowing power. The new rounded design means fewer corners to get snagged in shrubs, and in the truck or trailer.

Standard Features:

- Patented lubrication technology meets EPA emissions standards
- High quality harness with dual adjustments
- Simplified starting procedure
- Low starting force
- Single-handed operation
- Reduced vibration levels
- Comfortable weight
- [Click to view the standard features that are common to all STIHL Blowers](#)

Optional Accessory

- Hip belt (4282 710 9100)
- Curved nozzle (4282 708 6320)
